

National Recognition

One of the most important features of the Australian Quality Training Framework is the national recognition of training organisations and qualifications including Statements of Attainment.

Under national recognition a registered training organisation must accept the credentials issued by another registered training organisation based in any State/Territory of Australia. Technical Advanced Training undertakes to ensure that all Certificates and Statements of Attainment issued by any other registered training organisation are accepted as valid. Your Qualification or Statement of Attainment issued by Technical Advanced Training will be recognised Australia wide under these arrangements.

Enrolment

Students are required to complete an enrolment application form, available from Reception at Suite 15, 11 – 17, Pearcedale Parade Broadmeadows VIC 3047.

CPP31318

Certificate III in Security Operations

(Screening/Baton & Handcuffs)

FOR INTERNATIONAL STUDENTS

Version 1: 20240910

Course Aims & Objectives

The course will be designed to provide training for existing security license holders to gain employment in the security industry as a Checkpoint Screening Officer. It will assist students in undertaking routine security officer screening duties and to follow established practices in the workplace in a safe manner. It will also develop skills in collecting, analysing and interpreting images on a screen to better respond to security situation.

Entry Requirements & Prerequisites

The prerequisite for the CPP31318 is a Security Licence and meet the following entry requirements below:

- Students must be 18 years of age or above at the commencement of the course.
- Be enrolled in a principal CRICOS course
- Have a student visa that permits enrolment in a secondary short course (check with the Department of Home Affairs)
- Meet one of the following English language requirements:
 - IELTS score of 5.5 or equivalent achieved in the previous two years
 - Successful completion of Australian Year 12 or equivalent
 - Evidence of completion of at least 2 years of full-time study in English
 - Successful completion of the Pre-Training Review (PTR)
 - Achievement of ACSF level 3 in Oral Communication and ACSF level 2 or above in all other four skill areas

Literacy Language, Numeracy and Digital

If the Pre-Training Review demonstrates that a student does not have language, literacy, numeracy and digital skills at the required ACSF level II, appropriate supports and adjustments will be made to support students to develop the level of language, literacy, numeracy and digital required, or students will be referred to a more appropriate course.

Assessment

Students will be required to be assessed in this program to demonstrate they have achieved the skills and knowledge set out in the competency standards/ modules.

Assessments include open book questions, practical demonstration on Cabin X-ray Machine, ETD, HHMD, WTMD and use of Baton and Handcuffs and a closed book test. Course Duration is 16 days face to face delivery from 8.30am to 5.00pm.

Resources & Facilities

Students will be provided with the required learning resources and equipment. Classes will be conducted as required in an appropriate learning environment. We recommend you bring an exercise book to keep track of your learning.

This qualification is delivered under the ESOS framework, for details visit <https://www.education.gov.au/esos-framework>

Completion Requirements and Duration

This qualification does not require work-based training. To achieve this qualification the student must have demonstrated competency against all units below:

- BSBFLM312 Contribute to team effectiveness
- HLTWHS003 Maintain work health and safety
- CPPSEC3101 Manage conflict and security risks through negotiation
- CPPSEC3102 Maintain operational safety and security of work environment
- CPPSEC3103 Determine and implement response to security risk situation
- CPPSEC3104 Coordinate monitoring and control of individual and crowd behaviour
- CPPSEC3105 Coordinate provision of quality security services to clients
- CPPSEC3106 Gather, organise and present security information and documentation

Additional Elective Units

- CPPSEC3125 Implement security procedures to protect critical infrastructure and public assets

Additional Elective Units – Baton and Handcuffs

- CPPSEC3110 Control persons using baton
- CPPSEC3111 Restrain persons using handcuffs

Additional Elective Units – Checkpoint Screening

- CPPSEC2108 Screen people, personal effects and items to maintain security
- CPPSEC3127 Conduct security screening using x-ray equipment
- CPPSEC3128 Conduct security screening using walk-through metal detection equipment
- CPPSEC3130 Conduct security screening using hand-held metal detectors
- CPPSEC3129 Conduct security screening using explosive trace detection equipment

The Checkpoint Screening units are a skill set of the Certificate II/III in security operations. Courses can be scheduled as Face-to-Face or Blended learning.

Course Duration is 16 days face to face delivery from 8.30am to 5.00pm. In addition to the face-to-face classroom learning you will need to commit to approximately 2 hours each day of study/revision through the training to complete the units in this course.

Course Fees & Charges

For international students, the course will cost \$2200. A minimum payment of \$250 is required prior to course commencement for administration and enrolment fee. All cancellation requests made 3 days prior to course commencement date will incur a \$150 administration and enrolment fee. Once courses have commenced, the organisation will not approve refunds or transfers under any circumstances.

Technical Advanced Training reserves the rights to cancel or postpone the course commencement date with low enrolment numbers up to two days prior to the course commencement date. Should a course be cancelled or postponed, you will be notified either by mail, telephone or email. Cancellation of a program by Technical Advanced Training will result in a full refund.

Work Outcome

Types of work you may be able to gain once licensed:

- Checkpoint Screening Officer
- Mobile Patrol Supervisor duties
