# **National Recognition**

One of the most important features of the Australian Quality Training Framework is the national recognition of training organisations and qualifications including Statements of Attainment.

Under national recognition a registered training organisation must accept the credentials issued by another registered training organisation based in any State/Territory of Australia. Technical Advanced Training undertakes to ensure that all Certificates and Statements of Attainment issued by any other registered training organisation are accepted as valid. Your Qualification or Statement of Attainment issued by Technical Advanced Training will be recognised Australia wide under these arrangements.
